

# Virtual Austin: Virtualization Users Group

<http://virtualaustin.org>

---

## Austin Area VMware User Group on May 2, 2008

01/05/2008 19:53 by Clintre

Please join us for the upcoming Austin Area VMware User Group on May 2, 2008. Please join an innovative group of VMware users at Dave and Busters to network, share ideas and learn how to get the most out of your VMware solutions. This is a great opportunity to meet with your Austin Area based peers to discuss virtualization trends, best practices and the latest technology.

Date: May 2, 2008

Time: 11:30am - 1:30pm Location: Dave and Buster's 9333 Research Blvd Austin, TX 78759 Directions:

<http://tinyurl.com/33xdrx> To register: <http://www.vmware.com/resources/communities/usergroup/events.html> Agenda:
